

NECCC Winter 23-2024 Digital Interclub Competition

The Winter 2024 Digital Interclub competition, hosted by the Greater Lynn Photographic Association, was held on Saturday, February 10, 2024. Forty clubs participated in the Color section (26 from Class A and 14 from Class B), forty clubs participated in the Nature section (20 from Class A and 20 from Class B), and 36 clubs participated in the newly formed Monochrome section. A total of 454 images were judged in about three and half hours. The zoom session was not recorded this judging as there were only about 5-6 people who viewed it in the fall and that didn't warrant the amount of work to record the session and equipment needed (multiple microphones and other equipment) while the judging was in progress.

Our judges were **Silvana Della Camera**, MNEC of Stony Brook Camera Club, MA **Mike Goodman**, MNEC of Seacoast Camera Club, NH and **Dennis Goulet**, HonNEC of Photographic Soc. of Rhode Island. All are B&W print makers and photographers and two belong to Mass Camera Naturalists (CamNats) an invitation only Nature club, and all are members of the NECCC BOD. All three were very qualified to judge each section presented.

This report contains the listing of the clubs total scores (top scoring clubs at the top) and a list of the winning images for each section.

Spring Competition: The third and last competition of the NECCC Digital Interclub Competition for the 2023-2024 season, hosted by the Greater Lynn Photographic Association, is scheduled for April 27, 2024. The competition will be held in person at the Greater Lynn Photographic Association, 564 Boston Street, Lynn, MA. (Directions to the clubs meeting place can be found at:
